

Family Resource Center Offers the Circle of Security® Parenting™ Program

"Often our children's needs are hidden in plain sight."

- Bert Powell
Co-originator, Circle of Security

The Circle of Security Parenting program is a researched-based program that supports and strengthens a parent or caregiver's ability to understand and respond to a child's emotional needs.

Through video examples, handouts, and reflective dialogue, caregivers will explore their parenting and attachment experiences in a safe environment and build parenting skills to encourage healthy growth and development.

Circle of Security will be facilitated by trained COS-P facilitators Kim Townsend, FRC Parent Educator, and Amy Yarbrough, MSW.
